

Laboratory Equipment

Core instruments for clinical and research laboratories.

Microscope

Compound microscope for routine specimen examination in clinical and research labs.

Autoclave

Steam steriliser for lab glassware, instruments and consumables.

Lab Incubator

Temperature-controlled incubator for culture and sample processing.

Centrifuge

Tabletop centrifuge for separating blood, serum and other laboratory samples.

Hematology Analyzer

Automated full blood count analyzer for clinical and diagnostic laboratories.

Diagnostic Devices

Point-of-care devices for everyday clinical diagnostics.

Glucometer

Blood glucose monitor with test strips for point-of-care diabetes screening.

Thermometer

Clinical thermometer for fast, accurate temperature checks.

Consumables & Supplies

Sample collection and general laboratory consumables.

EDTA Bottles

Anticoagulant sample bottles for blood collection and haematology testing.

Test Tubes & Pipettes

Laboratory glassware and pipettes for sample handling and measurement.

Urine Sample Bottles

Sterile containers for urine sample collection and laboratory analysis.

Syringe & Needles

Sterile single-use syringes and needles in assorted sizes.

Conical Flasks

Standard laboratory conical flasks for mixing, measuring and general lab use.

Reagents & Test Kits

Rapid tests and reagent kits for diagnostic screening.

Test Strips

Rapid diagnostic test strips for point-of-care screening.

Reagent Kits

Reagent kits compatible with common clinical chemistry and haematology analyzers.

Kingschoice Med & More

Excellence Redefined

Product Catalogue — Laboratory Equipment, Diagnostics, Consumables,
Reagents & Test Kits, PPE and Pharmaceuticals

Sensitivity Disc

Antibiotic sensitivity discs for microbiology and culture testing.

PPE & Safety

Protective equipment and safety consumables for clinical settings.

Face Masks

Fluid-resistant surgical face masks for everyday clinical hygiene.

Tourniquet

Elastic tourniquet for venipuncture and blood draw procedures.

Surgical Hand Gloves

Sterile and examination-grade surgical gloves in assorted sizes.

AB Wipes

Antibacterial wipes for everyday clinical surface and hand hygiene.

Pharmaceuticals & General Merchandise

General pharmaceutical supplies and allied merchandise.

Pharmaceuticals

General pharmaceutical supplies for clinics, pharmacies and hospitals.

Mentholated Spirits

General-purpose mentholated spirits for clinical and household use.
